

Farm Hand at the Salt Spring Centre of Yoga

Who We Are: We are a non-profit educational and spiritual retreat centre dedicated to teaching the core principles of yoga which embody peace, resilience, and belonging. Founded in 1981 by venerated master yogi Baba Hari Dass from India — the Centre is the west coast of Canada's longest running spiritual and wellness retreat centre. At the centre, you will be working alongside people who are committed to exploring community, spiritual practice, and selfless service. Many people experience transformation while being a part of the pristine Centre land nestled in the heart of Salt Spring Island. There are elders around the land who have wisdom to share and overall, we strive to have a peaceful work environment where you are supported to bring your best and whole self. The Centre is located on 69 acres of prime agricultural land, protected by the Agricultural Land Commission.

Who We're Looking For: The ideal Farm Hand is a friendly and driven team player who has demonstrated experience with farm activities. We are looking for someone who never leaves a job unfinished, has exceptional follow through and has an extremely high level of personal responsibility. If you are able to manage key aspects of farming responsibilities and are proactive and able to anticipate future needs, we would love to hear from you.
