

Lead & Support Cook Positions

The Salt Spring Centre of Yoga is a non-profit spiritual centre and yoga community located on beautiful Salt Spring Island on the west coast of Canada. Inspired by our teacher, master yogi Baba Hari Dass, we've been sharing the teachings of yoga and hosting retreats for over 40 years, beginning in 1981. The work of the Centre is based on the foundation of karma yoga, working together with the attitude of selfless service. We do many things here at the centre, but the underlying aim is the attainment of peace.

We are currently inviting applications for the positions of Lead Cook and Support Cook in the Centre's kitchen for the 2023 season.

The lead cook works together with the kitchen manager and others on the kitchen team in preparing and serving nutritious and delicious vegetarian meals to varying numbers of people, ranging from 30 up to 300 in our peak season. The support cook is a strong second working closely with the lead and other kitchen staff.

The jobs are both part time, scheduled during our two programs each month. The working schedule can be variable according to the program being served. The hours may bump up during the height of our summer season and in the fall, when more programs are scheduled.

We're looking for people who have experience cooking for groups of people, with a focus on vegetarian meals, have Food Safe certification, are comfortable following recipes, and enjoy working as part of a team in a spiritual community.
